## MEETING HIGHLIGHTS

We had a good turn out Monday – and a lot of fun!

Vic Dominguez got us going as explained that he had received quite a few phone calls from well-wishers who read about Dick Butler in the *Squeak*. They wanted to know how Dick was doing, how Dick had hurt his *organ*... and exactly which *organ* needed replacing. As you can see from Norm's attached picture, Dick's organs are all in good working order. Vic concluded with a final request that folks get their completed Organ Donation forms to him as soon as possible!

*Vic and Dick showing evidence of the fact that Dick does not need any organ transplants.....at this time any way!  
(Is the brain considered an organ?)*

The fun continued when Greg Lewis fined Harris Done for USC's loss to CAL. (You may recall confident Harris predicting CAL's pending demise during his Happy Buck speech last week.) That wasn't the end of it, however, as Jeff Farano interrupted Greg, put on his CAL baseball cap, and proceeded with his own Happy Buck speech... sharing more details of CAL's victory! Lew Overholt joined in the CAL victory celebration with a twist... placing his Happy Bucks in the pot *one quarter* at a time for each quarter and overtime session that CAL was ahead of USC in the game!

Greg Lewis eventually gained control, seeking to fine Rotarians who had been missing in action. Pam Richarde turned the tables on Greg, fining him because he hadn't been around! About this time, when everyone was sore from laughing so hard, Greg was back in action (as everyone knows, you can't keep a good man down). Greg fined two of our favorite Rotarians for behaving like bullies that day... apparently they *forgot* to save the places at their table for fellow Rotarians, who came back from the buffet lines to find others sitting in their spots, and their items moved to different locations. Needless to say, Vic and Dick received hefty fines for their behavior, and

Finally got to the REAL program, Paula Burton, with Pledge Across the Nation. She gave an inspirational presentation on the development of her non-profit organization that teaches children about their heritage. Pledge Across the Nation has put many of America's treasured moments to music and dance, which include songs about the Constitution, the Bill of Rights, and the Pledge. Paula distributed copies of Pledge Across the Nation's latest CD to members in attendance. They are currently in the process of soliciting support to cover the cost of shipping these CD's available to every school district across the nation!
