Meeting Highlights

President Mary Clark welcomed everyone back from the holiday break and expressed her hope that our holidays were filled with cherished memories with our families and friends! She also wished us all a Happy New Year!

Our speaker was Chris Pflanzner, representing *Computers2Schools*. Chris gave an inspiring presentation on a project that he began to fulfill a need in our educational system... to bring technology to our local schools. *Computers2Schools* collects and repairs computers for use in our local schools. He asked for help with introductions to groups that may want to help by either donating old computers or providing financial sponsorships for a major e-waste collection event to be conducted locally this year. Dumping of old computers has become a global problem and *Computers2Schools* are trying to help!

Happy/Sad Bucks

Passions were high during this week's Happy/Sad Buck session.

Harris Done was quick to point out that USC, which is of course the "best team" in the country, (even if it is not selected to play in the national championship game)... came through at the Rose Bowl... way to go USC! Mike Neben was up next with happy bucks for Harris, who is his guest for this month's "In Focus" television program... (of course they got a plug in for Rotary). And last, *but not least*, Johrita had several Happy Bucks of her own, the first for the Clippers beating the Lakers, the second for Bruce and Paul Andresen being back with us on solid ground, after a weekend sailing excursion (something about a ripped sail and running aground)... we're also glad Bruce and Paul are back

New Rotary Directory!!!

Special thanks go out to Larry Tarpley, Stadium Printing, for a job well done on this year's Anaheim Rotary Membership Directory! Be sure to pick up your copy at next week's meeting if you didn't on Monday!

Christmas Party Follow up...

Larry and Doc reported on a great party at John Preim's and thanked John for his hospitality. It was noted that we did have a number of "no-shows" which created some food supply issues (too much of some and not enough of other pot-luck items)... so if in the future your plans change and you can't honor your RSVP, please let our host know.

It was noted that the boat parade was exceptionally good this year. Thanks to all that attended and helped make the party successful!
