Meeting Highlights

After picking M & M's out of a hat to determine our seats for the day... we settled down for another great Anaheim Rotary meeting. Our program was presented by Tasneem Watts from the Anaheim Library who gave an outstanding program about all the great opportunities at our local library.

*Guest Speaker Tasneem Watts,
Young Adult Librarian for the City of Anaheim caught
in action, giving an educational and entertaining
presentation on libraries*

Libraries aren't just about books anymore... but movies, music, computers, job searches and lots more. ____ shared some great facts and trivia (something about which way water goes when you flush south of the equator) – you really had to be there!

Happy/Sad Bucks

Lots of Happy/Sad bucks – but your editor wasn't taking good notes, so lets just say that we all had a few laughs (some at the expense of Paul M... who did defended himself just fine!).
