Meeting Highlights

Those of you unable to join us this past Monday (including our five Rotarians at the International Convention in Japan) missed out on an inspirational Memorial Day meeting. Special thanks go out to Mac and Sue McDougall for their hard work and dedication in coordinating our meeting which was a tribute to our WWII Veterans. Sue putting together an incredible display of World War II photos, newspapers and other materials—thank you Mac and Sue!

Lyon was conducting recon on the beaches of the South Pacific in Mindanao when the atomic bombs were dropped on Japan... as a result, Lyon was one of the first Americans to step on Japanese soil after WWII. In 1951-52, Admiral Lyon served in the Korean War, in charge of de-mining Wonsan Harbor where the water temperature averaged 34 degrees! During the next 26 years, Admiral Lyon continued to serve our county in the Reserves, where he commanded seven Reserve units.... And did I mention that Admiral Lyon was President of our club in 1965???

The Rotarian's FOUR-WAY TEST of the things we think, say or do

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL**
and **BETTER**
FRIENDSHIPS?

Will it be **BENEFICIAL** to
all concerned?
