"THE LOWDOWN" BY LBJ

Evan "Videocam" Goldschlag

President Vic, everybody assumed that you were going to be greatly missed on Monday. Little did we know that Evan would do such an incredibly fine job of leading the troops through a great meeting. I think that guy is going to do an incredible job as president next year! Don't get me wrong Vic, you're still the greatest... at least for this year! Evan, you're a great guy, and a great friend of mine, thank you for bringing Phil Campanelli to Rotary.

Our very own LBJ!

President Elect Evan Goldschlag and long lost Rotarian "Phil Campanelli," Manager of Embassy Suites of Santa Ana

Bob "Lake Golf" Cook

Glad to see you back, we've missed you. I know you are really working hard over there on that golf driving range???

Program Highlights

Our program for the day was conducted by Paul Kott, Realtor Extraordinaire who's office is here in Anaheim.

Paul gave us an exciting update on new multiuse development areas in the downtown area as well as the "Platinum Triangle" located by the Stadium. We are not going to recognize Anaheim within the next 5 years with all the new condos, apartments, theaters, etc. One thing the city need to address during the planning phase of these projects is the additional vehicles on the road... the traffic potentially could get out of control!

MORE ON NORCO BY JACQUI TARPLEY

Many Norco businesses have hitching posts and water troughs. You are welcome to visit Jack in The Box or McDonald's or even the grocery store on your horse. The Saddle Sore Bar has hooks to hang your bridle. You may visit Norco Christian Church on Corona Avenue on your horse for the Cowboy Service.

Larry Tarpley is a board member for the Grace Fellowship Church Horse Ministry. Rides are planned monthly and in May and October Horse Play Day takes place. Games on horseback, and the same games for the very happy children who are led on gentle horses. Whether an accomplished rider or a novice, this is a day enjoyed by all.

By law, home owners are responsible for keeping their trees and shrubbery trimmed and oleander bushes are banned to prevent horses nibbling the poisonous leaves.
