SPECIAL END-OF-THE-YEAR ISSUE!

Well, as promised, I'm back with another installment of "The Prez Says."

I felt that it would be appropriate to write again in conjunction with the end of the calendar year and the half way point of my presidential term. It seems that it was only yesterday that I assumed the reigns of leadership and desperately hoped that some way, some how, I would be asked to step down by now. Some of you may even recall that, not long ago, I actually anticipated that my "friends" were in the process of organizing a recall effort. Oh well, I guess either I haven't offended enough of you yet or you still haven't gotten organized enough for that to happen.

My best guess is that, with the help and support of an outstanding Board of Directors, many of you actually feel that some meaningful developments have been accomplished over the last six months. Some of those developments included modifying the By Laws so that one member alone cannot prevent an applicant from Club membership, elimination of the "Secret Greeter," establishing a Board position of Club Historian, organizing and implementing the most successful Golf Tournament to date, organizing a very successful Christmas party (I think), replacing the Donkey Basketball event with a planned Guinness Book of World Records game of Musical Chairs, planning for the installation of the Rotary Centennial Clock, ordering stands for our Club banners, establishing an Interact Club and, last but not least, designing and distributing a brand new Club pin. I may have forgotten something but I guess that's enough for now.

Even though I have been referred to as an "unusual" (or is it "unstable") Club President, I can't help but feel that the sense of fellowship and fun we have shared these past six months have made coming to the meetings a little more enjoyable. I don't know about you but, as far as I'm concerned, I think of Rotary membership as an opportunity to not only do meaningful things for the community and the less fortunate but to also enjoy the company of like minded professionals that can have fun while still doing good for other people. I hope that you agree and that you will not only continue to enjoy Rotary but also think about whom else out there might also enjoy a similar experience.

Well, ready or not, here's to the next six months and Happy Holidays to you all!

Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**
 and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL**
 to all concerned?
