Meeting Highlights

As most of us will agree, the recent rains have been welcome relief to our years-long drought; not so for our president Vic who couldn't make the meeting due to flooding in his home. He reported that clean-up is going as well as can be expected. However, Evan Goldschlag did a great job in "pitch-hitting" at the podium.

He began the meeting by relaying—on behalf of all members—a sincere **THANK YOU!** to John Priem for hosting our annual Holiday Party at his beautiful new home.

In that Rotary is an international organization, how fitting for Cathy Dutton to bring a guest from Japan; Tatsui, is a visiting intern at "her" hotel for a few months.

Mac McDougall then put out a request for members—especially the long-term members—to check their closets and garages at home or office for any Anaheim Rotary memorabilia. He, along with the Anaheim Library, are in the process of collecting photos, documents, etc. relating to our history.

One thing that will surely be documented is the announcement of Paul O'Connell as our Business Rotarian of the Year. Congratulations, Paul; you truly do represent everything a Business Rotarian should be!

Kate VanFleet then wowed us with plans for the new Walnut Village development in Anaheim. After seeing the color layout and hearing all that's being offered by 2007, more than a few of us were wondering where we sign up!

And last but certainly not least . . . Happy Birthday to LB, who turned 90 on January 1st! He even put out a challenge for anyone wanting to run a 100-yard race with him!! Any takers?

Responding to the Tsunami

The Rotary Foundation will be accepting contributions earmarked "Solidarity in South Asia" for assistance to the victims of the quake and tsunami in South Asia. Information can be found on the Rotary International website, www.rotary.org, under the headline story "Rotary world rallies to aid victims of deadly quake and tsunami." This will take you to information on the situation and how to contribute through The Rotary Foundation. Paul Harris credit will not be given for donations to the RI Foundation for relief efforts.

In addition, information on relief efforts by individual districts can also be found in the RI Programs area of the RI website, <http://www.rotary.org/>. Click on the World Community Service heading, and then Disaster Relief.

Other groups providing assistance to the victim of the quake and tsunami include:

Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**
and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL**
to all concerned?
