Meeting Highlights

Vic's get-up was definitely the highlight of last week's meeting! Never one to let a little water get him down, he took his flooded home with true-to-form humor.

Notice the banners behind him? They will now be proudly displayed on portable stands at every meeting, thanks to the efforts of Teddi Boston and Jo Ann Fischer, who organized their purchase.

It was great to have District

Governor-Elect Bill Peloquin and his wife Wilma with us this past week.

And speaking of our DG, Grant Engle has passed on a query as to who from our club will be attending the upcoming convention. Make your plans soon—real soon—if you'll be attending.

In addition to being our official club photographer and Membership Chair, Norm Buben can also stand-in as a sponsor! Since John Karczynski was laid up with the flu, Norm stood up for James Suh during his induction this past week. James is a Financial Advisor with Washington Mutual. Nice to have you officially with us, James!

Speaking of new members, we are proud to announce that Paul O'Connell is sponsoring Ken Troxler (owner of Anaheim Open MRI) as a potential new member. Way to go, Paul!

Fortunately, the flu this year hasn't affected too many of us, except for Jim Ruth. Glad to see you're back with us, Jim.

Meeting Highlights (Continued) . . .

It's official . . . President Vic presided over the ceremony and presented (below) Cadet Major Yanira Rojo, president of the JTROTC, with the official Interact Club charter. While attending

Magnolia High School, we hope the members can come for a visit soon – maybe join us for lunch when they're on a school holiday.

If you've ever wondered why Teddi hangs around the forest every weekend in the summer, just take one look at the smile on her face. She loves it! And she was more than pleased to introduce her

Ranger boss and our guest speaker, Jerome Wilson, President of San Geronio Wilderness Association. He graciously thanked us for our annual participation in their Fish Festival at Jenks Lake,

where kids from the inner city are bused to the lake for a day of fishing and communing with nature. (Actually, I think us Rotarians have just as much fun as the kids!) As our resident Rotarian Forest Ranger, Teddi is instrumental in organizing this very

popular event. Jerome then went on to talk about forest rehabilitation and fire control.

Congratulations to John and Joan Larner on the birth of their new granddaughter!

And speaking of kids, Mike Baker proudly announced that, as their coach, his two boys' basketball team is currently undefeated . . . of course, they haven't played a game yet, but . . . let's just hope they don't follow Albany's lead!

Mac McDougall called everyone's attention to the recent article on water in the latest *Rotarian*.

Lastly, we received an email from a Rotarian who lives just outside of Paris, France. He is looking for a fellow North Orange County Rotarian to swap homes with him for a few months. Seems his son & family live in Fullerton. If interested, let Jo Ann Fischer know; she has the email with the particulars.

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**

Will it be **BENEFICIAL**
