Meeting Highlights

Did we cover some ground this past week, or what! President Vic, a "triathlete" president if there ever was one, set the "pace" by moving through a lot of announcements: Lane Calvert reported on the excellent training of our new Interact Club officers; Paul Andresen reminded members of the Centennial Foundation Dinner on February 16; Vic put out a call for in-home hosts for the upcoming Governor's Conference; Ken Troxler, with Paul O'Connell as his sponsor, was inducted into the club as a new member (welcome aboard, Ken!); Mike Baker announced the installation/presentation of our Centennial Clock at 2:30 on Wed., February 23 in front of the Convention Center; Mike also asked for volunteers to help with our Musical Chairs fundraising effort (logistics and chair donations).

Then Greg Lewis introduced our guest speakers, Teresa & David Burgdorf, who are the true triathletes, having won numerous competitions, including the Iron Man in Hawaii. They passed around several of their medals—which were very impressive—and described just how one trains (both physically and mentally) for these races. I think most of us were tired just hearing about what it

takes to even *enter* one of these competitions!

David reported that his boss, our very own Paul Mercier, is recovering nicely from his heart "scare" and is now back at work on a part-time basis.

We look forward to seeing you back with us soon, Paul.

Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**
and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL**
to all concerned?
