## Meeting Highlights

Can you tell Greg Lewis gets a kick out of being Fine Master? For example, he got things rollin' this past week by "nailing" more than a few members for everything from flying first class to front page notoriety – and he enjoyed every minute of it!

Harris Done (one of his "victims") announced an Int'l. Dental Clinic set for April 13-23, 2006, in Mexico City. Anyone interested in going should let him know – it's a great experience for a reasonable price.

John Karcznski then gave a very eloquent talk on the importance of supporting the Rotary Foundation – not the least of which is the Polio Plus project. His goal

as our Foundation Chair this term is to have every member of our club be a

Paul Harris Fellow.

And finally, a suggestion on how to avoid the Fine Master's penalties...

do not wear a blue shirt to the meetings!

How did I get roped into this job?

Board of Directors
