Meeting Highlights

One thing's for sure . . . when it comes to singing, we're a tough crowd to please. Just ask our Song-meister, Norm Buben.

On a brighter "note," it was good to see Sara French back with us!

As expected, the focus of announcements was on the upcoming Golf Classic next Monday. As with most events requiring so much organization, things are coming together at last thanks to the continuing efforts of Paul O'Connell, Evan Goldschlag, the steering committee, the volunteers, and our members who sold all those cruise tickets. Now if it just doesn't rain!

Our guest speaker was Marianne Hugo, Branch Manager of the Anaheim Public Library (Euclid branch). She gave a great presentation on the rebuilding of the Haskett Branch. Originally built in 1963, then demolished last year in order to build it not only bigger but better, its primary focus will be to help literally hundreds of school-age kids with their homework on over 70 state-of-the-art computers. Plus, there will now be separate age-specific rooms throughout the facility. Look for its grand re-opening early next year.

Mystery Dinner 2005

Jim Tripp has put together what looks to be a "great time for fun, fellowship and frivolity" on Saturday, November 12, 9:00 AM; the cost is \$110/pp. He distributed fliers at our last meeting with all the info you need to know (except where you're going, of course!). If you'd like to join in on the fun, please call Jim (see back page for number).

See you all on
the links next
Monday!

IMPORTANT . . .

There is **NO MEETING** on Monday, October 24.
There is, however, still time to sign up to help at our
14th Annual Golf Classic!
If you can help, call Mac McDougall (see back page).

Happy Birthday

to . . .

Rich Martin on October 7
Lew Overholt on October 27

Celebrating Anniversaries are:

Phil & Franni Krum on October 7
Mike & Marian Baker on October 13

Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**
 and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL**
 to all concerned?
