Meeting Highlights

One of our newest members, Nev Roseman, has jumped on board fast by asking for the club's help in organizing an Int'l. Youth Exchange.

Our speaker was Les Baron, Scout Executive with the O.C. Council of Boy Scouts of America. Even though we've all heard of the Boy Scouts since childhood, it was very refreshing to hear what this fine organization accomplishes

(beyond Scouting for Food) with the youth—both boys and girls—of today. Very impressive indeed. Thank you, Lane, for inviting him to speak.

Exceptional contributions to society, be it professional or charitable, were acknowledged this past week.

Congratulations to Paul Mercier for being selected Superintendent of the Year for Orange

County AND Superintendent of the Year for the State of California!

And, of course, it was no surprise to us that our very own, very dedicated Teddi Boston will be honored this week by the Women's Division of the Anaheim Chamber of Commerce with the Annie Anaheim Accolade Award for her dedication to community service.

Look for your copy of our state-of-the-art Rotary Club of Anaheim E-Directory in your email when the Weekly Squeak is delivered on Monday, April 3rd. For those computer challenged members, we will have hard copies available at the front desk.

Hey, we all know we're the best Rotary club ever. But we can do better. Norm Buben, our Membership Chair, continues to do a great job in reminding us to "think membership." He makes sure we have an adequate supply of "invitations" so when we interface in our daily work, play, etc., we have a handy tool available to invite prospective members to lunch. And let's face it, upon their first visit (which involves a taste of our lunch, a look at the location (both inside and out), experiencing our friendliness, listening

to our informative speakers, hearing about all the good deeds that our members do on a daily/weekly/monthly basis), they're pretty much ready to come on board from the get-go!

So dig those cards out of your wallets and purses and start "thinking membership"!

Below is an excerpt on Membership from RI's web site:

Rotary club members are part of a diverse group of professional leaders working to address various

community and international service needs. Through community service and other means, Rotary club members help promote peace and understanding throughout the world. Our members are our most important asset. They are the force that allows Rotary to carry out its many humanitarian efforts and achieve its mission.

Why Join Rotary?

Each Rotary club strives for a membership that is an up-to-date and progressive representation of its community's business, vocational, and professional interests. Membership in Rotary offers a number of benefits, including:

Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**
and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL**
to all concerned?
