Meeting Highlights

According to the Rotary Int'l. website, "The 2005-06 Rotary year marks the 40th anniversary of the Group Study Exchange (GSE) program of The Rotary Foundation. A total of 34 GSE teams participated in exchanges during the first cycle of the program in 1965-1967; more than 400 teams participate today. It is incredible to think that since 1965, more than 11,000 GSE teams have traveled — involving over 50,000

team members." And one of those teams was with us this past week. All from different cities and Rotary Clubs throughout France, these young representatives spoke briefly on their occupations and leisure activities. Very impressive . . . as were their accents!

Our speaker was someone we all know, love, and respect: Greg Smith.

As our Treasurer, we REALLY respect the time and effort he dedicates to our \$\$, both incoming and outgoing. According to Greg, we deserve to give ourselves a "pat on the back" for our contributions so far this year. From the big projects like our Annual Golf Classic which last year netted over \$40,000 to the not-so-big—yet just as important—contribution of Greg's donation(s) of Angels' tickets (w/parking) at our meetings. Our thanks to Mac McDougall for "winning" the final bid of \$180 on the current set of tickets. It's this kind of generosity that makes us the best Rotary Club ever!

Last, but not least, our ever efficient server announced her engagement via a Happy Buck this week. Congratulations, Marcy!

From Our Kate . . .

Thank you for your kind expressions of sympathy in the recent passing of my mother, Alvina Oster (95), a 7 1/2 year resident of Walnut Manor Care Center, and my daughter, Laura Marchant (30). Many of you became acquainted with Laura when she worked with Davidson & Choy Publicity and she provided tickets for you to attend performances in the LA area. She was diagnosed with an inoperable brain tumor in October 2003.

You are invited to attend Laura's Celebration of Life:

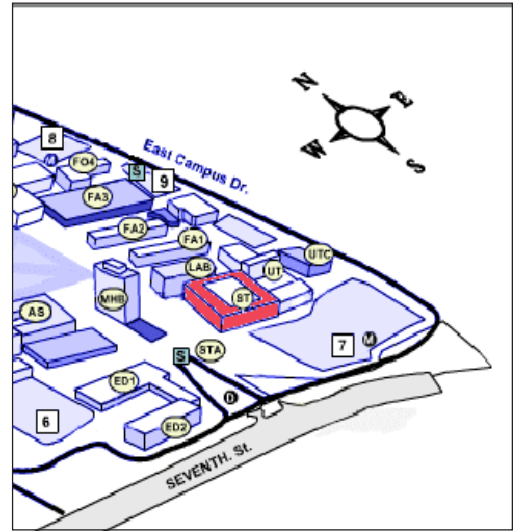

2 p.m. Saturday, June 3

California State University, Long Beach Campus (www.csulb.edu)

Studio Theatre, highlighted in red in map.

From westbound 22 and north- or southbound 405 freeways, exit at 7th Street westbound. After about one mile on 7th Street you will enter the map below, moving from right to left. Follow campus parking signs. Lots numbered 6 and 7 below are for campus employees but may be available due to summer break.

Reception following at 3721 Green Avenue #2, Los Alamitos, CA 562-598-8303
7th Street Eastbound to 605 north, exit Katella, east on Katella to Reagan (one block east of Los Alamitos Blvd.), right on Reagan, left on Green.

Laura was a part of a large, loose-knit, but very dedicated group of talented contemporaries in the Performing Arts, many of whom are involved in the celebration, so I promise you it will be entertaining.

I also am proud that the impact of Laura's life is felt beyond her circle of family and friends, and into the civic and professional community.

There also will be a tribute in the *Long Beach Press Telegram* sometime this week, and in *Backstage West* theatrical magazine.

Again, thank you for your cards, gifts, prayers, calls, Emails, and most of all your friendship.

Warmest regards,

Kate Van Fleet

Paint Your Heart Out: Once Again, a Successful, Feel-Good Project

Okay, this is how it's done . . .

No, **THIS** is how it's done.

Back off, mister!
The lady is wielding pink paint!

Showing one's abs is an important part of painting.

What a great group of workers!
In all, six from Anaheim Rotary and 29 kids from Key Club and Youth Leadership Anaheim.

A special thank you to:
Mac McDougall and Jose Velasco for co-chairing this year's project, and to

Cathy Dutton for initiating the calls to recruit the kids' help; and along with Susan Hatzenbuehler, for providing those great breakfasts!

Bob, John, and Carolyn Breen adding the final landscaping. Nice touch, Carolyn! Thank you. And thank you, John, for these great photos.
