Meeting Highlights

Following a frustrating two-week breakdown in DSL technology and work overload, your *Weekly Squeak* is now back in action.

The tag line "Our Bold New Vision" was well represented this past week by speakers from Youth Leadership America (formerly Youth Leadership Anaheim). Their website says it best: *Since the idea to have a youth-led leadership program was first proposed to the Leadership Anaheim Board of Directors three years ago, Youth Leadership Anaheim (YLA) has experienced considerable growth. Under the mentorship and guidance of Leadership Anaheim, the idea of creating a youth leadership program produced by local youth has become an ever-improving reality. YLA has developed a model of educating youth about leadership by looking at local leaders and organizations as role models and examples. Our reputation has also grown as the youth boards have successfully reached out to local businesses and organizations for support and advisement.*

Past Meeting Highlights

Susan Hatzenbuehler, shown here introducing the very talented kids from Acaciawood School, is off to a great start as our Program Chair. And, no, Evan is not part of their act, but hey, this was his last week as our club president and he deserves all the credit we can give him for his outstanding year as our fearless leader!

Well, the fez's might not have been a big hit, but in honor of Evan's last meeting, Walter wore it in good health.

With his long-held dream now a reality – and our

club (and its board members [shown at right] fortunate enough to help him share this dream – Lane Calvert took to the podium at

our July 10th meeting as our polished new District Governor for 2006-07. Lane has a lot of plans for his upcoming year, and we look forward to helping him take them to fruition.

Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?
