## Happy/Sad Bucks

A sad buck from Phil Krum as he's been diagnosed by four doctors with a critical case of "umph!"

## Talk about a Perk!

And we thought we had it good each week with prime rib . . . here's a peek at what our board members eat each month at the Board of Directors' meetings. Now THIS is eating in style . . . thanks to Jim Tripp and Greg Smith, of course.

I'm just happy!

Andrew's been happily working on his tan before starting his new job as Director of Development for Habitat for Humanity.

A big happy buck from Norm Buben as his son, Adam, and his girlfriend were visiting here before departing for school in Florida.

## Rotary's Four-Way Test

of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?
