Meeting Highlights

First things first . . . congratulations to Mike Worley on earning his Blue Badge! And, we have a prospective new member thanks to Paul Andresen. He is Mike Mogensen, Development Director at St. Catherine's Military Academy.

Our speaker, Bob Selinger, from the Newport/Irvine club, gave a great presentation on his—and Rotary International's—volunteer efforts in Sambia (formerly Northern Rhodesia). It's always impressive to observe "Service Above Self" up close and personal. Our thanks to Bob for his dedication and service to others less

fortunate throughout the world. Speaking of giving . . . members present this past week were thrilled to see Johrita Solari draw the Ace of Spades. Why? Because we knew she'd donate her \$480 in winnings to a good cause. This time, it was two good causes: 1/2 to our Grant Program, and 1/2 to Kate Van Fleet's Foundation formed in memory of her daughter. Thank you, Johrita!

One final thought: Please remember to bring more socks next week, along with toothbrushes and paste for our troops.

Happy Birthday

Kids' Feedback on Fishing Festival 2006

Our thanks to Paul Mercier for sharing these thank you letters from the kids at Magnolia School District:

Dear Rotary Club,
The fishing trip was so much fun. I really want to thank you for all the stuff you gave us and because you were so nice to us that you showed us how to fish. You also gave us really good food. This fishing trip was the best trip I've ever gone to. The bus was really cool because it had a bathroom, and we also can watch movies . . .

Dear Rotary Club,
Thanks for having such a good nice place. I love the fishing tools and food. It was so easy to do, and I also didn't get hooked* or a fish. I also love the food because you could get it all over and over. I mostly got two chips, 3 cookies, 1 watermelon and 1 hot dog. The food was so delicious. I also love the persons that helped us. They were so nice to us . . .

Dear Rotary Club,
Thank you for renting the bus and buying the food. The bus was soft and I like the t.v. I did not catch a fish, but it was fun. I liked the nature because I like to look at birds sometimes. I liked the hotdogs, the yellow watermelon and chocolate chips cookies and the chips. When I bit through the hotdog, it tasted so good. . .

Dear Rotary Club,
Thank you for the bus ride and for putting a movie on the bus. The seats were bouncy. They were not hard like the school bus. . .

Dear Rotary Club,
Thank you for an awesome time at Jenks Lake. The best thing that I liked about the trip was trying to catch a fish although I didn't catch a fish, I had a great time. The second best thing I liked was being paired up with Bob because he was really nice. The third thing I liked was the food. The other thing I liked was meeting Smokey the Bear. Thank you for making me have a great day at Jenks Lake. . .

* Ask Vic Dominguez about getting hooked . . . ouch!
