Scheduled Meetings and Dates to Remember

JANUARY- ROTARY AWARENESS MONTH

January Work in progress;
scheduled speakers to be announced.

Newsletter Highlights

For the next several months you'll be seeing a new look in *The Weekly Squeak*. Why? As most of you know by now, your editor, Jo Ann Fischer, took a fall off her in-laws' front porch in Connecticut on Christmas Eve and dislocated all five of her metatarsal bones in one foot . . . her driving foot no less. Following 4-1/2 hours of surgery last week here in California, at least four months of assorted splints, casts, and walking boots, the *Squeak* will come via her laptop. So needless to say, meeting information may be sketchy at best, but Norm Buben will still be sending along photos for publication. Speaking of Norm, most of you know by now that his wife Denise also fell on Christmas and broke her leg. Let's just say, we're down but not out!

You'll still be getting the *Squeak*, but it will lack some text and include Norm's great photos, which tell stories in and of themselves.

Nice craft talk, Moses. Very impressive!
Good to have you as a member.

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it **BUILD GOODWILL**

Will it be **BENEFICIAL**
