CCA unveils its groundbreaking 100 Year Lifestyle Wellness Certification Program

at the convention – be a part of it!

Now, more than ever, the public and your patients are looking for health strategies that will improve their quality of life as they set new records for longevity. The CCA 50-hour 100 Year Lifestyle certification will provide the doctor with those strategies, plus give you the proven tools to position yourself in the community as the expert on wellness and peak performance. Let us teach you this “No Limits” process that will tie you to the international success of the 100 Year Lifestyle movement and enable you to be a “go-to” high-level player in the multi-billion dollar “wellness” movement.

This unique program will give you dynamic and easy-to-apply tools that will inspire you to serve your patients’ appetite for peak quality of life as they age, build your practice and change the face of health care.
